## Memorandum of Understanding

### **1. The Agreement**

1.1. The Agreement is made and entered into on this [31<sup>st</sup>] day of [ March, 2020 ]  
Two Thousand Twenty

between Sikkim Manipal Institute of Technology (SMIT), a constituent college of Sikkim Manipal University and situated at Majitar Rangpo East Sikkim 737136 (herein after referred to as the "SMIT" which expression shall, unless repugnant to the subject or context thereof, include its successors and assigns) of the FIRST PART.

AND

1.2. Pakur Polytechnic, Pakur, established by Govt. of Jharkhand and run & managed by Cybobhubaneswar Educational Foundation under Public Private Partnership (PPP) Mode and situated at Beside New D.C. Office, Pakur – 816107, Jharkhand of the OTHER PART.

### **2. Preamble**

#### **Whereas**

2.1. Sikkim Manipal Institute of Technology (SMIT), a constituent college of Sikkim Manipal University (SMU) was established in 1997. SMU is a non-profit University and has a distinction of being the first Public Private Partnership (PPP) model of India, a partnership between the Sikkim Government and Manipal Group. SMIT has emerged as one of the premier institute of India in the last 23 years. It has contributed significantly towards development of human resource in its locality and nation in general. The hall mark of the institute is excellent academic quality and developing student into competent professionals and team leaders via enumerable student centric activities.

SMIT upholds the legacy of Manipal group; well-known world leader in providing quality education in various fields across the globe. SMIT is an institute of eminence in the Eastern India region engaged in teaching, research and development in many areas of physical sciences, engineering, technology, management and has eminent faculty and excellent research facilities.

2.2. Pakur Polytechnic, Pakur (Estd. by Govt. of Jharkhand & Run by Cybobhubaneswar Educational Foundation under Public Private Partnership (PPP) Mode) offers diploma in various engineering programs.

### **3. Scope**

- 3.1. Pakur Polytechnic is in the nascent stage. Hence, SMIT may mentor Pakur Polytechnic in achieving its mission and vision. There is large scope of engagement between SMIT and Pakur Polytechnic in various fronts that will be mutually beneficial and in large will be highly beneficial to the students.
- 3.2 The various ways in which SMIT and Pakur Polytechnic can engage in a broad mutually beneficial framework are:
  - 3.2.1 SMIT regularly conducts technical workshops for the students and faculty members of school/colleges of nearby region to enhance the quality process and improve overall functioning of schools. Same facility can be extended to Pakur Polytechnic.
  - 3.2.2 Faculty interaction between SMIT and Pakur Polytechnic to promote ideas, share expertise and conduct short duration courses that would eventually benefit the students.
  - 3.3.3 Student engagement: Participation of Students in various activities like tech fest, sports, cultural, literary, SMITMUN and Entrepreneurs meet that will contribute towards overall development of students.
  - 3.3.4 Projects: Collaboration in research projects and student projects of varying duration.
  - 3.3.5 Conferences & Workshops: Jointly organizing Conferences & Workshops and participation in conferences/workshops.

3.3.6 Adopting best practices and mutually strengthening each other.

3.3.7 The finer details of working will be established as and when the need arises and the type of engagement required.
